

NPI_IG Printer Driver

Release Note

Nippon Primex Inc.

Jan 17, 2017

1. Overview

We would hereby announce that we release NPI NP Series Integration Driver.

In case you use this Printer Driver, you can print on Nippon Primex Printers from the applications on Windows 7/8/10.

2. The Summary of Provided Disks

On this release, we would provide you the following files

- NPI_IGxxxxxxx.zip

Installation files and Documents of NPI NP Series Integration Driver are included.

3. Installation method

Please unzip NPI_IGxxxxxxx.zip.

There are Printer Driver in the Installfile folder and User Guides in the document folder.

Please sure to read User Guides, before using the driver so that you can use the driver correctly to take full advantage of the driver functionality, and start installation of driver according to steps described on Installation Guide.

4. Other items of note

We provide NPrinterLib.DLL for sending various commands to Printers. Please use API.
