

DRAWING NO. **CN384** ISSUE **1**

Интерфейсный кабель (Smart Hopper разъем 8pin – 4 pin на монетник)

Terminal
CON1

Housing
Molex 90142-0008 (2x4way 2.54mm pitch with key)

Crimp
9733272 (tin plated)

Connectivity by conductor

CON1 Pin	Gauge (AWG)	Colour	Comments
1	24	Red	+12VDC
2	24	Black	GND
7	24	Orange	Data (CCT_TX)
8	24	Brown	Not_Used (CCT_RX)

Note: Pins not named are unloaded

Comments

CON1 is connected to the Hopper base plate in the slot that says 'Coin Mech'. The stripped ends need to be fitted with a suitable connector that matches the coin mech's connector.
